

## Common Fund Investments Q1 - 2018

The Moravian Common Fund is a pooled investment program allowing our churches and ministries to retain ownership of their funds while gaining investment management and administration of their endowment funds at a low cost. The Moravian Ministries Foundation in America commits to work with you to provide a quality product to meet your needs. The investment returns below are net of investment advisory fees. For additional information, please contact the Foundation at 888-722-7923.

### Notes:

- Kaspick & Company began management of these accounts in March 2012. Prior to March 2012, returns reported by TIAA-CREF Trust Company are net of investment advisory fees.
- Kaspick & Company returns are net of investment advisory fees, whether the fees are charged to the trustee or directly to the account.
- All returns are net of mutual fund expense ratios.
- Performance data for periods greater than one year are annualized.
- The Blended Index returns displayed represent the TIAA-CREF blended indexes through March 31, 2012 and the Kaspick & Company multi-asset benchmarks thereafter.
- The Blended Traditional Index returns displayed represent the TIAA-CREF investment objective benchmarks through March 31, 2012 and the Kaspick & Company traditional benchmarks thereafter.
- The multi-asset benchmark performance figures are the market index returns for the asset classes used in Kaspick & Company managed portfolios. Each benchmark is weighted by its long-term strategic target and is rebalanced monthly.
- The Traditional Stock/Bond Benchmark results are the returns of the S&P 500 and Barclays Capital U.S.
- Intermediate Govt./Credit Bond indexes weighted in order to match the historical risk profile of the diversified allocation as measured by its standard deviation.
