Giving Through Stocks & Securities

The Moravian Ministries Foundation helps Moravian individuals, churches, and agencies grow and sustain the ministries that are central to their faith.

We do this through gift planning, stewardship development, and investment management.

Save money and avoid tax with gifts of stock

Rather than sell your stock, consider giving some of it to support your favorite Moravian church or ministries.

You purchased stock for many years. Over time, the value of the stock has grown and is now a substantial investment. You may own more stock than you'll ever need. Or the stock may not produce enough income to be meaningful. Yet, selling it will trigger a capital gains tax. What can you do?

One of the best options is to put some of your stock to work for God through the Moravian Ministries Foundation in America. By transferring your stock rather than selling it, you avoid capital gains tax. Your gift will help Moravian ministry for years to come. You may also become eligible to receive a charitable income tax deduction for the full amount of the stock transferred.

The benefits

1. Avoid capital gains taxes up to 23.8%
2. Potentially receive a charitable income tax deduction for the full amount of your gift
3. Make a meaningful gift with no cash out-of-pocket
4. Capture the value of your stock and end the worrying about market ups and downs
5. Put your gift to work right away for the causes you care about most

It's easy

Taking a stock gift further

If you want to know about other ways to give, or structuring planned gifts, ask us how your gifts can support Moravian ministry. You can fund a charitable gift annuity, charitable remainder trust, or charitable lead trust. These plans pay you income and provide additional tax benefits.
