"Picture Your Stewardship" Workshop

Purpose:

Stewardship is a way of life as we discern how God would have us use our time, talent, treasure and testimony for God's purposes in the world. This engaging exercise helps individuals reflect on their gifts of "the 4Ts" and create a vision for the steward they would like to be in the coming year.

Outcomes:

Participants will:

- Gain insights into their stewardship
- Reflect on if/how their stewardship is aligned with how they'd like to be involved in God's work in the world
- Craft a plan for how they will use the 4Ts in the coming year; and,
- Get to know and learn from one another

How it Works:

Through a combination of individual writing/reflection and group sharing, participants:

- Discuss and define time, talent, treasure, and testimony
- Make a list of how they've used each of the 4 in the last year
- Reflect on and discuss their stewardship in the last year (ex. "Why did you give the most to the T that you did? How is it a strength or intentional focus for you?")
- Use photographs to vision for the steward they'd like to be in the year ahead
